As the borrower failed to pay the instalments that fell due on 10-3-1936, the Tahsildar exercised the right of sale by private summary recovery, and consequently the sales

....

lands that were hypothecated to Government were auctioned. As the amounts realised by sale of the lands did not cover the outstanding balances due from him, the remaining property of the defaulter was proceeded against. An amount of Rs.686/- was realised in the aggregate by holding several sales as against Rs.1026-2-0 due from the borrower. As the borrower had no other property to be proceeded against, the Tahsildar has submitted 14-B statement, and requests that the amount in out-standing collection may be written off.

2. The particulars of loans granted and the officers responsible for the over-estimation of the values of the lands, and the grant of the state loans are noted in the statement appended.

Of the Tahsildars who granted the loans, Sri.A.S.Venkoba Rao and Mr. Osman Sheriff are dead. Sri. V. Hanumantha Rao is at present the Fourth Presidency Magistrate, Madras. I have called for the explanation of the remaining Tahsildars responsible for over estimating the values of the lands and those of the Revenue Inspectors still in service and shall deal with them suitably.

3. A sum of Rs. 500/- on account of principal and Rs.63-2-0 on account of interest is still due from the borrower in respect of A.G.L.C.4/38. In the circumstances stated above, I request that the principal may be written off as irrecoverable.

Note June 11 - Copy of Govt Order
No 792 dt 11.6.39 Es.

Proceedings The officer whose explanation the
Coll has not called for and apparently
leaves it to the Board to obtain is
Sri V. Hanumantha Rao, Presidency Magte.
He sanctioned a loan of Rs 100 alone as

Talu in 1926. Accg to the Res Insp's report on the loan application dy: 12.6.26 the land offered as security was worth Rs 1000 and there was only an encumbrance of Rs 400 on it, that is, the two prior loans of Rs 200 each. The Res Insp omitted to state in his report that the applicant had taken 2 other loans earlier (in 1923), viz. Rs 500 and 240. But the security lands for those loans were different and hence even if the fact were reported, there wd be no objection to the grant of a loan of Rs 100 ~~on the~~ so long as there was no reason to doubt the bona fides of the applicant. Under Rule IX of the Loans Genl Rules the Talu need not make any personal enquiry where the loan applied for is Rs 500 or below but may act on the Res Insp's report. There are no grounds ~~=~~ for holding that Sri Hanumantha Rao granted the loan of Rs 100 improperly or that there was an over-estimation of the value of the land in this case. His explns need not be called for.

A abeyance may be appd
